SPRINGVILLE, ALABAMA -- Fontaine® Heavy-Haul, a Marmon Highway Technologies (MHT) company, announces that Heather Gilmer has rejoined the company and will now serve as Sales Manager. Gilmer will report directly to John Krier, President of Fontaine Heavy-Haul. "We're really excited to have Heather back on board at this juncture in our company history. Fontaine Heavy-Haul is launching two new products: a traveling axle trailer and a hydraulic tail trailer. It's great to know that a person of Heather's talent and experience will be focusing on this important work," remarked Krier.

Gilmer rejoins the Fontaine family with an extensive sales and marketing background. She began her career with Fontaine at the Springville plant where she acquired an in-depth understanding of the heavy-haul market and the customers who depend on Fontaine products for their livelihood. After ten years she moved to Bostrom Seating (an Accuride Company) as a Product Marketing Manager, then to Westin and Sheraton Hotels as a National Accounts Sales Manager. Her academic background includes a B.S. in Marketing from the University of Alabama at Birmingham.

"Heather will be traveling extensively to develop an in-depth understanding of our customers and the marketplace to assist in implementing an 80/20 focused sales and marketing strategy," stated Krier. "I'm really delighted to be back with Fontaine and I look forward to getting reacquainted with our customers, listening to their needs and being part of a team that will help them become more successful," Gilmer concluded.

Fontaine is the most respected name in the platform trailer industry, and the largest platform trailer brand in the world. It encompasses a complete line of aluminum, steel and composite trailers for the flatbed, dropdeck and heavy-haul markets. Manufacturing facilities are located in Jasper, Haleyville and Springville, Alabama. Fontaine is a Marmon Highway Technologies/Berkshire Hathaway company. Marmon Highway Technologies (MHT) supports the transportation industry worldwide with a wide range of high-quality products and services.
