

Release Date: For Immediate Release

JOHN KRIER NAMED PRESIDENT OF FONTAINE® HEAVY-HAUL

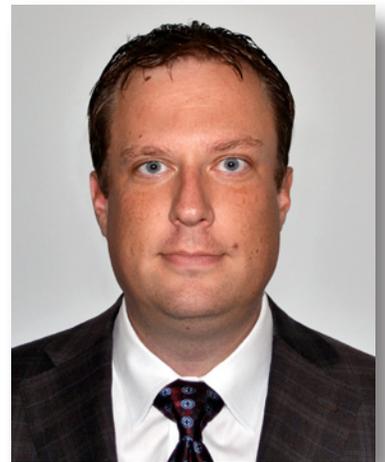

SPRINGVILLE, ALABAMA -- Fontaine® Heavy-Haul, a Marmon Highway Technologies (MHT) company, is now under the leadership of John Krier, company president. Krier will report to Hank Prochazka, Fontaine Trailer Commercial Group President. "We're delighted to have John leading this important business focused on the needs of heavy-haul customers. He brings high energy and strong 80/20 business leadership experience to the organization," remarked Prochazka, "He will be tasked to further develop, refine and support the current 80/20 strategy keeping a sharp focus on the customer," Prochazka concluded.

Krier joined Marmon Holdings Inc. in 2006 as Senior Corporate Accountant. In 2009 he was promoted to MHT Assistant Sector Controller and in 2010 to Controller for Fontaine Spray Suppression. In 2012 Krier took on the role of Group Controller for the Trailer and Truck Products and Services sub-sector of MHT. Prior to his current position Krier served as President of Fontaine Coupling Solutions, a new MHT venture serving terminal tractor fifth wheel customers.

Krier will be located at the Fontaine Heavy-Haul manufacturing facility in Springville, Alabama. "It's great to be part of the Fontaine Heavy-Haul team, and I look forward to serving our customers with this talented group of hard-working people," stated Krier upon the occasion of his promotion.

Fontaine is the most respected name in the platform trailer industry, and the largest platform trailer brand in the world. It encompasses a complete line of aluminum, steel and composite trailers for the flatbed, dropdeck and heavy-haul markets. Manufacturing facilities are located in Jasper, Haleyville and Springville, Alabama. Fontaine is a Marmon Highway Technologies/Berkshire Hathaway company. Marmon Highway Technologies (MHT) supports the transportation industry worldwide with a wide range of high-quality products and services.
