

Release Date: For Immediate Release

**FONTAINE® HEAVY-HAUL
MAGNITUDE® 35 DELIVERS
BIG PERFORMANCE
IN A SMALL PACKAGE**

SPRINGVILLE, ALABAMA -- Fontaine Heavy-Haul, the recognized technology leader in the lowbed trailer Industry, is introducing a heavy-haul trailer that

handles a wide variety of hauling jobs with ease – the new Fontaine Magnitude® 35. This advanced technology heavy-haul trailer is loaded with important features that improve trailer durability and enhance operator convenience.

Fabricated with 100,000# minimum yield steel flanges, the Magnitude 35 is very durable and designed to deliver years of service. It is equipped with a 24-foot clear deck length and a loaded deck height of 20-inches with 6-inches of ground clearance. The trailer is packed with user-friendly features that save time and money. Boasting the most versatile hydraulic removable gooseneck in the industry, the Magnitude 35 can be disconnected and connected in a matter of seconds... not minutes. It can even connect to the trailer on un-even ground. The bogie, with its load bearing bolsters, can be ordered with an optional beaver tail and spring assisted rear ramps for greater loading convenience and versatility. A convenient built-in storage compartment features a lockable cover for greater security.

Fontaine Heavy-Haul is a business unit of Fontaine Trailer Company, the largest platform trailer manufacturer in the world producing a complete line of aluminum, steel and composite trailers for the commercial flatbed, dropdeck, heavy-haul and military markets. Manufacturing facilities are located in Jasper, Haleyville and Springville, Alabama. Fontaine Trailer is a Marmon Highway Technologies/Berkshire Hathaway company. Marmon Highway Technologies (MHT) supports the transportation industry worldwide with a wide range of high-quality products and services.
